

The information below is about the product used on the common area fences. You do not have to use this exact product but your color must match it. There is a board in the HOA Office that you can compare your sample to. You must get approval from the Modification Committee before you can stain your fence.

MANUFACTURER: Standard Paints, Inc.

PRODUCT: Wood Defender Semi-Transparent Fence Stain

COLOR: Coronado

You can order online @ www.standardpaints.com

You can contact Fencekeeper via website, email or phone:

www.fence-keeper.com, sales@fence-keeper.com, or 1-855-782-4689.

They will provide info as to how much stain you will need to purchase for your fence for our Do it Yourselfers.
