HAVE A SPOOKY AND SAFE HALLOWEEN!

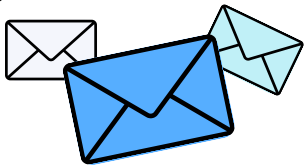

Whether you're gearing up for a night of trick-or-treating or planning a quiet evening at home, following a few simple safety tips can help make Halloween enjoyable for everyone in Firethorne.

Tips for Trick-or-Treaters

- Carry a flashlight, glow stick, or wear reflective clothing to stay visible after dark.
- Stay on sidewalks whenever possible and use designated crosswalks.
- Look both ways before crossing the street and avoid running between parked cars.
- Travel in groups and ensure younger children are accompanied by an adult.
- Only visit homes with exterior lights turned on.
- Wait until you get home for parents to inspect candy and treats before eating them.

Tips for Residents Not Participating

- Drive slowly and stay alert for increased pedestrian traffic throughout the community.
- If you plan to welcome trick-or-treaters, turn on your porch light to let families know you're participating.
- If you do not wish to receive trick-or-treaters, consider leaving your porch light off.
- Keep walkways, driveways, and front steps well-lit and free of decorations or cords that could create tripping hazards.
- Secure pets indoors or away from the front door, as frequent visitors may cause some animals stress or anxiety.

Mail Kiosk Notice

It takes a community to keep Firethorne safe. While the mailbox kiosks are owned and maintained by Fort Bend County MUD 151, the safety of these areas begins with Firethorne residents and neighbors. By remaining vigilant and reporting suspicious activity, residents can help deter mail theft and protect their community.

If you notice suspicious activity near a mailbox kiosk, please contact the Fort Bend County Constable's Office non-emergency line. If you believe mail has been stolen or is missing, contact the Katy Post Office and report the incident to the U.S. Postal Inspection Service.

Please note: The mailbox kiosk areas are owned and maintained by Fort Bend County MUD 151 and are not maintained by the Firethorne Community Association. Maintenance concerns regarding the mailbox sites should be directed to MUD 151.

Get Involved: Join a Firethorne Committee!

Consider volunteering for one of the Association's committees! Whether you're interested in planning community events, reviewing home improvement requests, enhancing neighborhood amenities, or helping promote community safety, there's a place for you.

Volunteering is a great way to meet your neighbors, share your ideas, and make a difference. If you're interested in serving on a committee, check out the "Groups" page on the community website!

AMENITIES COMMITTEE

Provide input on potential improvements to community amenities.

SPECIAL EVENTS COMMITTEE

Help plan and organize community events and activities.

ARCHITECTURAL REVIEW COMMITTEE

Review applications for exterior home improvements and modifications.

COMMUNITY WATCH COMMITTEE

Work with neighbors to encourage awareness and help keep the community safe.

Good Neighbor Knowledge

- HOA-owned property is not intended for overnight parking.
- Garage sales and estate sales are only permitted during designated Community Garage Sale events.
- Pressure wash driveways and sidewalks regularly to help maintain curb appeal.
- Store trash and recycling containers out of public view when not awaiting collection.
- Remove tree stakes once they are no longer needed to promote healthy tree growth.
- Retrieve mail and packages promptly to help prevent theft and reduce clutter around mailbox areas.

HOW TO REPORT A STREETLIGHT OUTAGE!

OPTION 1 – Report Using the Interactive Map

(Recommended)

1. **Open CenterPoint's Streetlight Reporting Map**
2. **Search for the Location** – Use the address search feature or allow your device's GPS to identify the location
3. **Drop a Pin** – Place a pin directly on the affected streetlight.
4. **Complete and Submit the Report**

OPTION 2 – Report Online

1. **Locate the streetlight**
2. **Find the Pole ID Number** – Look for a 6-digit alphanumeric identification number attached to the pole, typically at eye level. This will help CenterPoint locate the exact streetlight in need of repair.
3. **Submit the Report** – Go to CenterPoint Energy's Streetlight Outage Report Page and enter the required information (Pole ID number/Street address or nearest intersection/description of the problem/etc.)

OPTION 3 – Report By Phone

Call CenterPoint Energy Customer Service at **713-207-2222** (dial option 4)
Be prepared to provide: Streetlight location, Pole ID number, Description of the issue

Constant Contact Is Going Away!

Beginning January 1, 2027, Firethorne HOA will no longer use Constant Contact for community communications.

Starting in 2027, the Homeowner Portal will be the primary source of communication for Firethorne residents.

To ensure you continue receiving important community notices, updates, and announcements, please make sure you are registered in the Vantaca Homeowner Portal and have email notifications enabled.

If you have any questions or need assistance setting up your Homeowner Portal account, please contact the Firethorne HOA office at 281-693-0003.
