Volunteers

Volunteers Needed for the 4th of July Parade

We are seeking dedicated, community-minded volunteers to help coordinate our 4th of July Parade as we celebrate America's 250th Birthday. This once-in-a-generation milestone deserves a parade that reflects the pride, unity, and spirit of our community—and we can't do it without you!

Interested in volunteering?

Banners will be placed at the entrances of the neighborhood.

No fees or maps this year.

Landscape Reminder for Residents

We kindly ask parents to speak with their children about not moving landscape rocks into grassy areas, particularly in cul-de-sacs. While this may seem harmless, it creates a serious hazard for our lawn crews and maintenance equipment.

Recently, large rocks were placed inside an irrigation valve box at the park, resulting in over \$1,500 in damages. These types of incidents not only lead to costly repairs but can also pose safety risks.

Home Modification Applications

Applying for a modification approval is simple and can be done through the homeowner portal at home.inframark.com. Follow the steps below to ensure your application is processed smoothly:

- 1. Complete the Application:** Access the form on home.inframark.com or the Firethornecai.com website. Fill it out thoroughly, providing all necessary details.
- 2. Gather Supporting Documents:** Collect any relevant documents needed to support your application.
- 3. Scan and Submit:** Upload the completed application and all supporting documents through the homeowner portal.
- 4. Management Review:** The management team will review your submission to ensure everything is in order before forwarding it to the ARC committee.
- 5. Processing Time:** 5 – 7 business days for the committee to review and make a decision. Please check your email for any updates or requests for more information. This will prevent further delays in processing your application.
- 6. Receive Your Verdict Letter:** Once a decision is made, a verdict letter will be generated, published by management, and automatically mailed to you.

By following these steps, you'll help ensure a smooth and efficient application process. If you have any questions, feel free to contact management for assistance!
