The office will reopen on Monday July 6, 2026 at 8:00 AM.

If there is an emergency, please call the Inframark dispatch team at 281-870-0585.

Friendly Neighborhood Reminders

- Make sure you are cleaning up after your pets
- Utilize your driveway and garage before parking in the street
- Stay on top of your yard maintenance
- Store trash cans and recycle bins out of public view and be sure not to put them out too early
- Follow all posted rules at the amenities and be considerate of others sharing the space

Thank you for helping keep Firethorne welcoming and enjoyable for everyone!

ARC Application Reminder!

All ARC Applications need to be submitted to the homeowner's portal at home.inframark.com or sent to the HOA Management Staff for proper submittal. Please, **DO NOT** email them to the Architectural Review Committee directly. All applications should be submitted through the homeowner's portal or through the HOA Management Office.

How to Test Your Key Fob!

The gym is the best place to test them. Go to the side door and scan your key fob by holding it near the scanner to the left of the doors.

If your key fob is working properly:

The scanner will beep and flash red and green multiple times, and access will be granted. No further action is required.

If your key fob needs to be reprogrammed:

The scanner will beep and flash once, but access will not be granted. Bring your fob into the HOA office to get it reprogrammed.

If your key fob is not working:

The scanner will not register the fob, and there will be no response. Bring your broken fob into the HOA office to trade it for a new one.
